El Dorado In The Marshes: Gold, Slaves And Souls Between The Andes And The

Synopsis

The search for gold and for the mythical El Dorado gripped the imagination of the conquistadors from the beginning of the sixteenth century. Crossing over the Andes, they explored the unknown eastern forests and jungles, launching expeditions that were often disastrous and always disappointing. As the range of exploration expanded, El Dorado retreated, always just beyond the horizon. The last goal of these explorations was the land of the Mojos, a land located in the upper basin and which lies many months of the year submerged under water. It is a mysterious land and, as legend had it, inhabited by a people rich in gold and precious stones. Yet all the Spaniards found â “ as narrated in these compelling pages â “ was a limitless swamp, sparsely inhabited by a small number of people and so ill suited to usual system of productive forced labor. It was the Jesuits instead who established here a network of missions second in size and population only to that of Paraguay and so went in search of souls rather than gold.

Book Information

Paperback: 368 pages

Publisher: Polity; 1 edition (December 21, 2009)

Language: English

ISBN-10: 0745645534

ISBN-13: 978-0745645537

Product Dimensions: 5.6 x 0.7 x 8.3 inches

Shipping Weight: 10.4 ounces (View shipping rates and policies)
