Synopsis

Natural Medicine and Herbs: 50+ Natural Medicine to Reduce Anxiety, Depression, and Ailments from Your Body
The Traditional Chinese Medicine, with its ancient history and knowledge, has been treating people all over the world to cure them and to help them lead a healthy life. The lack of knowledge is what makes us susceptible to ailments. We don't know natural ways to avoid them. The Chinese Medicine was originated and developed in China over thousands of years ago. TCM advocates a fine balance between various forces as the key to good health. TCM is effective today because of its easy to use remedies that are known to enhance health and ward off various diseases. Customer Reviews

This is an excellent resource for thinking about a healthy lifestyle and made me think about some of my more mundane choices. This is a great resource, not only for curing specific ailments using natural medicine, but also for achieving ongoing optimal health to prevent illness.

Traditional Chinese Medicine is being used in the whole world and even today. These ancient healing methods are very effective to enhance health and ward off diseases. This book will help you understand how TCM can help you benefit from these treatment procedures. Something to keep in practice for the attainment of good health.

Very interesting and informative!. There are so many essential herbs and can really alleviate on some ailments. Really amazed when I learned that there are herbs that can heal and prevent anxiety, depression and even weight loss using the blends listed on this book.
