This book "Be A Prayer Warrior" is a God send, I use this book for morning devotion before I go into intercessory prayer and I use it in accordance to the days of the month. Each prayer is always in line with whatever event that might rise that day; just truly amazing.

Be a Prayer Warrior helped me to see how powerful words are in that they shape the direction I'm going. I always knew that lifting other people up with encouraging words was important, now I realize that I have to speak trust in the Lord and encouraging words to myself and my future. These 30 declarations and prayers are building my faith in God and are beautifully written.

I felt led to read this book. Once I started reading it God started showing me people to pray for for each declaration. The prayers were awesome; I couldn't put it down until I finished. To God be the glory. Get this book and pray it now!!!!

I have an Omvana app (excellent!!!) by Mindvalley that I used to record (I also purchased the Audible feature for .99 so that I could also listen to the book) some of the affirmations to meditative background sounds.

It is really very good book..It has helped me to realize in which areas in my life there is a lack and I might need prayer..It has certainly helped me

Thank you Glen , this book help me more for communicate with God. I am disability and waiting for god call me home. I am believing in Jesus, God son. All my life live for God will. Thank you again
