Descriptosaurus: Fantasy

Synopsis

Descriptosaurus: Fantasy builds on the vocabulary and descriptive phrases introduced in the original bestselling Descriptosaurus and within the context of fantasy develops the structure and use of the words and phrases to promote colourful, cinematic writing. This essential guide will enable children to take their writing to the next level. It incorporates the essential skills and creative devices that are used in other genres while extending to themes of battle, sieges, magic and mystery to unleash children's imaginations. This new system also provides a contextualised alternative to textbook grammar and will assist children in acquiring, understanding and applying the grammar required to improve their writing, both creative and technical.
