Assessment Procedures For Counselors And Helping Professionals (8th Edition) (Merrill Counselling)

Synopsis

Since its first publication in 1988, *Assessment Procedures for Counselors and Helping Professionals* has become a classic among assessment textbooks designed specifically for aspiring counselors. Now in its Eighth Edition the text includes extensive changes to content and updating throughout, while maintaining its popular, easy-to-read format and continuing emphasis on assessment information that is most useful and relevant for school counselors, marriage and family therapists, mental health counselors, and other helping professionals. Throughout the text, readers learn the essential topics; see clearly how the elements of assessment interact; apply the material to the major instruments used in counseling; reinforce learning through discussion questions and activities; and get invaluable information and examples about widely used assessment instruments in order to become familiar with these well-known tests.

Customer Reviews

worked well for the class, the professor required the reading this time, which makes renting it more palatable.

Quality was a promised and delivery was right on time as promised and as needed.

This book is concise and has solid information.

A pretty good book that I used for my class.
