Moonblink: A Suspense Thriller (A Zoo Crew Novel Book 5)

Synopsis

Things are beginning to evolve for the Zoo Crew. Drake Bell has passed the bar exam, accepted a new position, and begun a new phase of his legal career. His first case to walk through the door is in defense of a young woman that was the driver in an accident that left a young cyclist in the hospital. She accepts her guilt, but something about her story strikes a chord with Drake, causing him to dig a little deeper. What starts as an attempt to shield the young woman from the misguided crusade of a prosecutor serving ulterior motives soon begins to shift, taking things in a direction that Drake never could have anticipated. Within days he finds himself on a quest that is part medical mystery and part history lesson, trying in earnest to understand the condition afflicting his patient and what it means for the situation she now finds herself in. Again armed with the myriad skills of the Crew, he begins to uncover a trail that stretches back more than 100 years, involving some of the oldest wealth and industry in the state, and those that would do anything to continue protecting it.

Another great Zoo crew read. Spoiler alert. This one starts with the description of smelting. This will be a big part of the story. Kyla Wegman is on her way home in her 94 Honda Accord. She's been

having trouble seeing at night and goes blind at an intersection where she strikes something. That something is a girl on a bike. A girl with head injuries and a broken leg. Wegman is arrested and will spend four days in jail. Mandy Moritz is the girl who was struck and is in a coma. Her mother Susan will spend days by her side. Her mother is a paralegal for the State prosecutors office. The State prosecutor, Valerie Stiles, has a very large bone to pick with anyone on a bicycle who is injured by anyone in a car. Its personal for her because he husband was struck while on a bicycle. Its something she will try to involve Susan Moritz in a Susan who wants no part of that womans personal vendetta. Public Defender Barb Rosenthal, Susan's boss will back Susan to the hilt. Drake Bell has passed the State Bar and is now a full fledged lawyer. He's currently the head of the Missoula Legal Services office. Its a temporary positon till they get someone on board full time. He now has two friends Teague and Mooney working for him. He also has to decide to either take or reject the case of Kyla Wegman. Once he meets with her he decides he will take the case. And what a case it will turn out to be. So begins another great Zoo Crew read.
