ISBN-13: 978-1424307890

Product Dimensions: 8.8 x 5.8 x 0.8 inches

Shipping Weight: 14.4 ounces

Average Customer Review: 4.0 out of 5 stars • See all reviews (1 customer review)

Best Sellers Rank: #1,260,890 in Books (See Top 100 in Books) #49 in Books > Sports & Outdoors > Outdoor Recreation > Skiing > Downhill #56 in Books > Sports & Outdoors > Outdoor Recreation > Skiing > Cross-Country #1177 in Books > Sports & Outdoors > Winter Sports

Customer Reviews

For the last several years little has been written on AT skiing. This book came out this last year and has filled part of this void. The book has been given fair reviews by Backcountry magazine. Their main complaints were the lack of an editor and the 1970 style cover. Guys get over it...This book does have a great deal on information. Yes you have to dig for some of it, yes an editor would have been a plus. But this was a self published effort. And even as such there is a great deal of useful information for any BC skier. Hard to find but good for your collection and knowledge base.
