Holding Strong (Ultimate Book 2)

Synopsis

An up-and-coming MMA fighter wants more than just one night from a woman fleeing her past in New York Times bestselling author Lori Foster's irresistible new novel. Heavyweight fighter Denver Lewis plays real nice, but he doesn't share. That's why he's been avoiding top-notch flirt Cherry Peyton. But a man can only resist those lush curves for so long. Their encounter surpasses all his fantasies, bringing out protective urges that Cherry's about to need more than she knows. Denver's combination of pure muscle and unexpected tenderness has been driving Cherry wild. Yet no sooner does she get what she's been craving than old troubles show up on her doorstep. And this time, Cherry can't hide behind a carefree facade. Because the man by her side is one who'll fight like hell to keep her safe; if only she'll trust him enough to let him.

Customer Reviews

We all remember Denver & Cherry from the first books in the series. Denver is one of the fighters in Cannon Colter's gym in Warfield, Ohio. Denver recently signed with SBC, the big fighting association, but is still living and training in Warfield. Cherry is the roommate of Colton's sister Merissa. Both Denver & Cherry have been totally attracted to each other ever since they first

met....but Denver never tried anything because he thought Cherry was too much of a partygirl and a flirt... she talked and flirted to all the guys at the gym.But she's not interested in any of the guys - she's totally in love with Denver.And when they both meet at a bar in a town two hours from home, after one of Armie's fights, they finally both give in to the attraction.They spend an amazing night together....and it could've been an amazing morning too, but two things happen....First, Cherry must've caught the bug that's been going around lately; fever and all....but Denver, and Armie too, take care of her and bring her medicine etc.And then there's the problem with her 'Family'. Three dangerous looking guys have been asking about her. But she's scared and doesn't want anything to do with them. But there's still more that she's not telling Denver...And of course we also hear a lot about Armie and how ex-fighter Havoc tries to get him to sign with the SBC....but for whatever reason, Armie doesn't want to.... plus he's still totally in love with Cannon's sister and then there's the other fighter Stack, who's had a crush on Vanity ever since she came to town - we'll get to hear their story soon!!!!!!WHAT WILL HAPPEN TO DENVER & CHERRY???.WILL THE TWO OF THEM GET THEIR HEA???.WILL THERE BE A CLIFFHANGER??

My ThoughtsWe RETURN TO THE world of the Ultimate series , a world that is both intense and also low key as the fighters must be aware at all times that their training makes them both a weapon as well as a target for ego driven muscle heads so keeping their cool makes all the difference in certain situations.Denver Lewis has recently joined the SBC, the organization that has the potential to take him all the way to the top spot in the MMA if he can keep on target with his training and his anger in CHECK when it comes to Cherry Peyton.
