Customer Reviews

I had a copy years ago and loaned it out and didn't get it back so I was pleased to get another one. It is very informative on good health foods.

No, I have returned it to the seller. I thought I was ordering the full book not the "digest series". I have contacted the seller and she offered to refund money as soon as she receives book. I just returned it last week. She was great. I was after the complete book.

I found this book to be very interesting and anxious to try a few of the recipes and also the suggestions on softening skin.
