More Mountain Spirits:: A Continuing Chronicle Of Southern Appalachian Corn Whiskey, Wines, Ciders And Beers (American Palate)

Synopsis

Originally published in 1985, "More Mountain Spirits" is a companion volume to Joseph Dabney's American classic "Mountain Spirits." More mountain moonshine stories and characters on both sides of the law come to life alongside intoxicating recipes for brandy, wine and beer made from every fruit and vegetable grown in the hills. And of course, there's corn whiskey and real apple cider, too, as well as a step-by-step illustrated guide to building a copper pot still."
