After The MÃ©nage Is Over: Breaking Him By Accident (A Best Friends To Lovers Romance Novella Book 2)

Synopsis

Maybe it's true what they say: two is a couple, but three's a crowd...It's been over a month since that fateful night when Max's carefully orchestrated plan to seduce his girlfriend, Maya, into accepting his best friend, Foster, into their bed succeeded. It's been a nonstop threesome ever since. Before, Maya was content to worship Foster from afar, to be as silently obsessed with him as he was obsessed with her. Never letting on and never giving in to it. But now that the doors to paradise have been opened, how can these lovers keep a lid on their feelings for each other and keep it strictly casual between the sheets? What happens to Max if one, or both of them end up succumbing to that dirty, four letter word: L-O-V-E? Will it end up breaking him?

Customer Reviews

This is the second in the Series: A Best Friends to lovers Romance. A month after Max had Foster come over so they could spend the night with Maya, Foster has moved in with them. Max has a meeting and leaves for work thinking Maya and Foster will do the same. What happens when Max gets home and finds they spent the day together instead? I hope there is a third part to this! I was gifted a copy for an honest review barwatts@telus.net

For a sequel, is a fabulous read. The characters stay consistent between stories and the basic storyline continues in a logical progression. There's not a lot of time spent (which I prefer) reminding us of the backstory, rather the author focuses on moving the characters forward, individually, in pairs and as a threesome, to the next pivotal point of conflict in their relationships. Often in these types of stories, I find one character less interesting, less well developed than two of the companions...That is certainly NOT the case here. Kat does an excellent job developing each character thoroughly with wants, needs, concerns that are reasonable to the situation and consistent with his/her personality. (Almost) BEST of all is the ending...totally unexpected...and serves as a terrific set up for the next in the series (which I hope Kat is planning!).

I enjoyed this book. It is one of the few books that I have read about a ménage that has some twists in, some good erotic scenes and a good story line, on the whole - the pace was steady and the characters have desire and needs according to their personality. I must admit that I am waiting with abated anticipation for the third book. I would recommend this book to fans that prefer a ménage with a story line.
