Aegishjalmur: The Book Of Dragon Runes

Synopsis

A curriculum of runic study which uses the myth of Sigurd the Volsung to awaken the powers of the Northern Dragon within the psyche of the student. Uses the same highly effective and transformative pattern of Draconian Initiation first developed in the author's previous book 'Apophis', here adapted exclusively to runic lore.

Book Information

Paperback: 258 pages

Publisher: CreateSpace Independent Publishing Platform (January 1, 2011)

Language: English

ISBN-10: 1456513850

ISBN-13: 978-1456513856

Product Dimensions: 6 x 0.6 x 9 inches

Shipping Weight: 1 pounds (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (16 customer reviews)

Best Sellers Rank: #602,818 in Books (See Top 100 in Books) #63 in [Books > Religion & Spirituality > New Age & Spirituality > Divination > Runes](#) #1035 in [Books > Religion & Spirituality > Occult & Paranormal > Occultism](#)

Customer Reviews

Initially I was pleased by the author's approach, as it was simple and down to earth. As I continued to read I realized this was a dumbed down version of Thorsson's Nine Doors of Midgard with some dragon mythology thrown in. His Fafnir's Workings, the visualization of Sigurd's slaying of the Dragon, was what originally got me excited. It's a really nice imaginative ritual. Beyond that and a few insights here and there, the book was a disappointment. Granted, if you have not read The Nine Doors of Midgard and have not read much on the magical and self-cultivating sides of the Runes, this is an okay beginner's book. It has all the key ingredients and the author does a decent job of laying things out in a systematic way. If you are looking for a more in-depth approach I would suggest reading Thorsson or some of the other authors I have reviewed: check out my reviewer's page by clicking on my name. For the most part the author is structuring his book on the concept that we are to gain control over our lower selves (dragon within) in order to harness our desire energy towards awakening the Wode-Self. While this is a classic hook in today's world, promising that we can continue down our lower nature's desired roads without having to change, what ends up happening, especially when all

we have is the little bit of self-control work the author offers, is a false sense of power that ultimately becomes our downfall as our lower natures do what they do best: please themselves at the expense of the rest of our self. Besides the Fafnir Working there is one other unique thing found in this book and that is his Bindrune section, which ritualized the 18 Rune verses of the Hǫ́rvamǫ́l (146-163).
