Palm Reading - Plain And Simple

Synopsis

If you have every tried to learn to read palms, then you know the frustration of trying to decode most books that are available on the market today. This book takes the guess work out of learning to read palms, provides you with clear cut examples and innustrations, and teaches you the system that palm reading is based upon. The only Palm Reading book you will ever need. Madame Gorgonzola joins forced with Dean Montalbano in their second book. In this light-hearted romp into the world of palm reading you will learn things that many of the experts don't know.

Customer Reviews

Good read, I found new info, like I find bits and pieces in all palm books, I'm not gonna share what I found..... Ok one thing! If you have a callous on your mount of Apollo right near your ring , there's something your trying to bury in your relationship, (a problem) trust me it's true!

Ordered for the artwork on the cover alone, as it's absolutely darling. Bravo to the artist & Bravo to the artistic writer! Great writing style with added humor. Reminds me of diving into a lake as a child for buried treasures beneath the sand, surfacing for air, and then down again for more buried treasures (except these buried treasures are bits of knowledge). Keeps it simple to remember what you've learned. Some of the greatest teachers use humor as a teaching tool. When learning is fun it makes it easy to remember and share what we've learned. Plus a really good book for beginners. Enjoy~

Mr Montalbano has simplified learning how to read palmsHe writes very clearly and uses diagrams

to illustrate examples. I have read other books on this subject. This is the first one to give me confidence that I 'can' do this too. Combined with his book on tarot cards. I think I've found a part time source for summer cash

Dean's book is the best Palm reading book ever published. It takes you very easily through the palm in a very concise and easy to understand. Be sure to ask him about his Palmistry class. The live class is the best. Contact Dean for more information.
