# Stamping With Style: Sensational Ways To Decorate Paper, Fabric, Polymer Clay & More

## Synopsis

Carve or convert everyday objects into stamps, use natural materials such as leaves to produce sophisticated designs, or try ready-made stamps. Transferring ink to a surface is a hot technique, but you'll also achieve great effects by stamping fabric with bleach, heat-stamping velvet, or imprinting polymer clay. These 40 elegant projects are a superb introduction. "Colorful, imaginative." Library Journal.

## Book Information

Hardcover: 128 pages

Publisher: Lark Books; First Edition edition (December 2001)

Language: English

ISBN-10: 1579901336

ISBN-13: 978-1579901332

Product Dimensions: 10.3 x 8.9 x 0.6 inches

Shipping Weight: 1.6 pounds

Average Customer Review: 5.0 out of 5 stars See all reviews (1 customer review)

Best Sellers Rank: #3,224,369 in Books (See Top 100 in Books) #68 in Books > Crafts, Hobbies & Home > Crafts & Hobbies > Papercrafts, Stamping & Stenciling > Rubber Stamping #2880 in Books > Crafts, Hobbies & Home > Crafts & Hobbies > Decorating

## Customer Reviews

This is a wonderful resource, but frankly, for the more "artsy" stamper. I love the projects, techniques, and looks shown here, but if you're looking for clean and simple, this is not it. Not that the techniques are difficult -- they aren't -- it's just that the looks are very elegant. The book shows stamping on everything -- clothes, paper, clay, umbrellas, and more. You can transfer the techniques from these to other media if you know what you are doing and aren't afraid to try something new. Everything from funky to renaissance...Nice stuff, I like it, maybe you will, too.
