Tennessee's Dixie Highway: Springfield To Chattanooga (Images Of America)

Synopsis

The late-19th- and early-20th-century vision of the New South relied upon economic growth and access. The development of the Dixie Highway from 1914 to 1927â with its eastern and western branches running from Ontario, Canada, south to Miami, Floridaâ would help facilitate this dream attracting industry, tourists, and even new residents. Images of America: Tennesseeâ™s Dixie Highway: Springfield to Chattanooga tells the story of people, places, politics, and organizations behind the construction of the road from Springfield, Tennessee, to Chattanooga. This section is particularly important, as it was roughly the halfway point of the route and contained the headquarters of the Dixie Highway Association in Chattanooga. It also included the seemingly insurmountable Monteagle Mountain in Marion Countyâ the very last portion of the national north-south highway to be completed.

Book Information

Series: Images of America

Paperback: 128 pages

Publisher: Arcadia Publishing (January 31, 2011)

Language: English

ISBN-10: 0738586870

ISBN-13: 978-0738586878

Product Dimensions: 6.5 x 0.3 x 9.2 inches

Shipping Weight: 11.2 ounces (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 starsÂ See all reviewsÂ (2 customer reviews)

Best Sellers Rank: #155,756 in Books (See Top 100 in Books) #18 inÂ Books > Engineering & Transportation > Engineering > Civil & Environmental > Highway & Traffic #28 inÂ Books > Engineering & Transportation > Engineering > Civil & Environmental > Transportation #155 inÂ Books > Travel > Food, Lodging & Transportation > Road Travel

Customer Reviews

I don't know of another book of this type. Lots of pictures and good information about what it took to build the Dixie Hwy.

Lots of pictures, but very little text. Not much in the way of maps
