Lacey Wolfe - This story is amazing. It gets you hooked from the beginning and leaves you wanting more. Plus how can you go wrong with a cowboy? It's complex characters and storyline will have you fall in love with them. A must read story... I can't wait to read more in this collection.

A Cowboy to Love by Dâ™Ann Lindun I loved Rayanne and Luke's love story. I always look forward

to reading D'Ann's books! I have loved every book of hers that I have read. Broken Dreams by Melissa Keir Although Trey and Sara's life didn't turn out exactly as planned, their emotional journey has a beautiful ending. This is the first book that I have read by Melissa Keir and I will definitely be reading more. Heart Rush by Lisa Huffman Loved Colt! Heart Rush also includes the story of Kendra, Fallon's best friend, and her bull rider. I love Lisa Huffman's writing style. She is another new-to-me author and I look forward to reading more of her books. I will add reviews for the other 3 books as soon as I finish reading them.

Bulls, cowboys and love!!! The collection of books keeps you on your toes... I loved how each story pulled at your heart.. These men are used to being at the rodeo.. used to that 8 second ride... and when that is whisked away it leaves them feeling helpless.. the beautiful ladies of these stories are the true heroines... Healing the broken egos of these cowboys and showing them what love and life are really about... The authors delivered great stories and amazing characters... take a seat and enjoy this read!
