Personal Injury Schedules: Calculating Damages (Third Edition)

Synopsis

This third edition of Personal Injury Schedules is an authoritative and up-to-date guide to the assessment of damages and presentation of schedules in the UK. The book offers practical expert guidance helping to accurately assess the value of a claim and decide on what basis to seek damages. It also provides an up-to-date toolkit for best practice in the presentation of schedules and counter-schedules. It covers a variety of claims ranging from the small to the catastrophic and is completely updated to take account of Ogden VI, The Thompstone indexation cases, and numerous recent UK Fatal Accident Act cases.
