Delicious and Easy to prepare recipes, and great "WOW!" presentations! The book has lots of photos too.

I was a little skeptical of purchasing a used book that was coming from a Good Will in Fla. The book arrived in almost perfect condition, only one corner of the cover is bent a little, and the inside doesn't look like it was ever opened. There are 4 cookbooks from Holland America Line and when I was on our cruise I couldn't decide which one to purchase. I actually bought this one as a gift for a friend

and liked it so much that after I got home decided to order one for myself. The prices at CAN NOT BE BEAT! Way lower than on the ship. I am considering buying the other 3 cookbooks also.

Coming home from a cruise is the saddest part of a vacation, however with this cookbook you can continue the good times. I bought this cookbook after our last cruise on the Veendam. My husband and I were in a post vacation slump, so I made a four course meal from the book and it transformed us right back onto the ship. Each time we wish for a vacation or entertain, I turn to this cookbook for its many delicious recipes. The drink recipes are not to be missed!

Excellent transaction. Excellent condition. Perfect all around. A great item at a fantastic price. Words cannot describe my experience on as of late. The item bought was in excellent condition and served its purpose well. Nothing can compare and have nothing ill to say of it, nor do I have anything else to mention that needs concern. Highly recommend for anyone who shops on the internet! is always the best!

Again a book that always takes me back to the cruises I have enjoyed, and the thoughts of many more to experience. A delightful book of the great cuisines offered aboard Holland America.

We've been on multiple cruises with Holland American. Their food is great. I was so looking forward to recipes in order to make some at home.
