Fun, captivating, and intense! The characters in *Players* took me on a wild ride into the exciting

worlds of Polo and Show Jumping. A can't-put-it-down good read, I enjoyed this story as much as I enjoyed my beach vacation! Great storyline, excellent character development, and superb attention to accuracy and detail make *Players* one of my favorite books this summer. I'm thrilled that a sequel is in the works!

Author Elizabeth Humphreys knows horses. "*Players*" is full of horse adventure, mesmerizing characters, and exciting scenarios! Humphreys writes of "Victoria" who at "25 years old...was the best female polo player in the world." Victoria is the main character and brings the world of polo into your hands. A thoughtful story, delving into the heart and soul of polo; it's glories, let-downs, and drama. Recommended reading.

A brilliantly fun summer read! I particularly enjoyed the classic tequila joke and strong female characters. When's the next one out?

Well written, left me wanting to read more. When will the 2nd book be out? I'm ready to buy now.
