Customer Reviews

There were some pretty good books in this set but some have so many typos that every time something interesting happens in the book there is a typo there to ruin it. There are a couple of other books that are very good. You have to be willing to take the bad with the good. I almost gave up but I'm glad that I didn't because the last books were worth it!

I received a free copy in exchange for my honest review. This is a wonderful collection of bad boy biker, dirty cops and hot bad boys. Who doesn't love the sound of 6 full bad boy romance novels? You won't regret one clicking this!

These books were great. Each one was just as good as the next. Well written, great story lines, and a lot of well placed love. I am glad I read these and I'm certain you will enjoy them as much as I did. Recommend highly...

I couldn't wait to see where each story took me! And cannot pick my favorite. Hot steamy sexy for just a few verbs. But my favorite move Falcon flipping Grace around standing up and going to town that is a new one!
