Customer Reviews

I have quiet a few Hummel books, but Luckey's Hummel Figurines and Plates, 11nd Edition is my favorite. The book did educate me in the different Trade Marks on the bottom of the Figurines, The Authors explanation is simple and clear. I purchased many Hummel figurines at Internet Auctions and found that the "Current Value" prices of Mr. Luckey's book are very conservative and very closed to the final Auction prices! I do recommend this book, it is the "real" thing!
