# Essentials Of Human Anatomy And Physiology

## Synopsis

Essentials of Human Anatomy & Physiology, Eighth Edition continues to set the standard for A&P texts with an enhanced media package and new active learning features that help readers better visualize and understand the structure and function of the human body. New information on hot topics like DNA fingerprinting, bone implants for children, stem cell research, and obesity draws readers into the material. Elaine Marieb's clear and friendly writing style emphasizes the relevance of anatomy and physiology to readers' lives and careers. It clarifies concepts, defines key terms, and offers just the right balance of anatomy, physiology, and clinical coverage to make the content complete without being overwhelming. The Human Body: An Orientation, Basic Chemistry, Cells and Tissues, Skin and Body Membranes, The Skeletal System, The Muscular System, The Nervous System, Special Senses, The Endocrine System, Blood, The Cardiovascular System, The Lymphatic System and Body Defenses, The Respiratory System, The Digestive System and Body Metabolism, The Urinary System, The Reproductive System. For all readers interested in learning the essentials of human anatomy and physiology. --This text refers to an out of print or unavailable edition of this title.

ISBN-10: 0131934813

ISBN-13: 978-0131934818

Product Dimensions: 0.8 x 8.8 x 10.8 inches

Shipping Weight: 3.6 pounds

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (17 customer reviews)

Best Sellers Rank: #69,960 in Books (See Top 100 in Books) #5 in [Books > Teens > Education & Reference > Science & Technology > Anatomy & Physiology](#) #172 in [Books > Medical Books > Basic Sciences > Physiology](#) #12352 in [Books > Textbooks](#)

## Customer Reviews

This was my high school anatomy and physio book. Solid text. Great diagrams. Beautiful colors. I love the human body and this book!

even though it wasn't new it still looked like it. everyone at my school paid close to \$100 for used

ones. this was a good alternative for 1/4 the price and was worth it!!!! recommended!!!!

It is for my sons HS A & P Class so it came on time and I am happy that his textbooks are all in before the school year starts.

I am currently using this book for High School. And I think the book is very colorful and detailed. Thank You !

My book came in in the exact condition as stated and arrived just as promised. Very happy with this seller

I was very satisfy with the book. I got it very fast and for a used book, it looks very good!!!

The book was not as expected. CD does not work. The seller was deceptive.

More than meet my expectations! It is what was advertized
