Caste Book: Twilight

Synopsis

Savants, craftsmen and cunning men, the Twilight Castes of the Solar Exalted are the meddling sorcerer servants of the Unconquered Sun. Yet, these craft tricksters are more than mere magicians and scholars. With its clever minds and invincible sorcery, the Twilight Caste is a mighty force for enlightenment in a benighted world. Those who would trick the masses and lock away wisdom should fear, for these savants of the Unconquered Sun have come to deliver knowledge to the ignorant. "Twilight" is the third in the Caste Book line for Exalted - books detailing the different castes of the Solar Exalted.
