in Kindle Store > Kindle Short Reads > 30 minutes (12-21 pages) > Literature & Fiction

## Customer Reviews

Classic book you don't hear to much about. Which is a shame since it has so much great information. This summary guide is perfect to get a quick read over the major concepts and ideas found in the original. Received a free copy for my honest opinion. There are some life changing ideas but unless you have a lot of time on your hand and can read an older writing style I would recommend this book.
