American Indian Law In A Nutshell, 6th

West Nutshell Series

American Indian Law

Synopsis

This guide provides a reliable resource on American Indian law. Its authoritative text covers the essentials of this complex body of law, with attention to the governmental policies underlying it. The work emphasizes both the historical development of Federal Indian Law and recent matters such as the evolution of Indian gaming, issues arising under the Indian Child Welfare Act, and the present enforcement of treaty rights. It addresses the policy and law applicable to Alaska Natives, but does not deal with Native Hawaiians.

Customer Reviews

I had to get this book for an American Indian Studies class. While the material is detailed and well written, unless you're versed in legal terminology and already know something about law, it's a tough haul in that it's very difficult to interpret. But the book became easier to understand as I learned more legal terminology (e.g., adjudication, torts, fiduciary). Still, I don't think that it's easy to "breeze" through but it is thorough.

Great book by Judge Canby. Good for lawyers, judges and lay people.

VERY Useful for what I am doing for a 280 state Indian Tribe.

I found this to be a great overview of this area of the law.
