# Best Poetry Of Stephen Crane

## Synopsis

Best poetry of Stephen Crane, including all poems from Crane's *The Black Rider* and *War is Kind*. Stephen Crane broke most of the rules for poetry of his time, deciding instead to develop a very unconventional style with neither rhyme, meter, nor even titles. This "free verse" of Crane is now anthologized in almost all current American literature textbooks. Like many great writers he was not always appreciated in his own time, but other writers, including Joseph Conrad, Robert Frost, Willa Cather, Ezra Pound, and Henry James had great respect for his writing. Hemingway once stated that "The good writers are Henry James, Stephen Crane, and Mark Twain. That's not the order they're good in. There is no order for good writers."

## Book Information

File Size: 190 KB

Print Length: 54 pages

## Customer Reviews

Stephen Crane's poetry is uniquely pointed with razor sharp "singular blades" of truth. If current aspiring poets need inspiration in how to deliver worthwhile insights, in a pithy, original way, Stephen Crane is an excellent example, "because it is his own heart."

This is beautiful. One of my favorite poets of all time. I enjoy the way he strings the energy of plants and their value along with his poems

A fair poetic collection of this innovative writer. Organization of this book is lacking..
